PO Box 106

Dear Mr Donchi

**ECHUCA-MOAMA BRIDGE ARTS PROJECT**

Thank you for your letter dated 29 December 2012, regarding the Echuca-Moama Bridge Arts Project. I apologise for the delay in responding.

I read with considerable interest the information contained in your letter about your vision for the Bridge Arts Project and the many facilities envisaged for its ultimate development.

I compliment you for your enthusiasm and dedication to making the Bridge Arts Project a successful venture and for your visionary outlook for the future of Echuca-Moama.

VicRoads has always planned to consider architectural elements depicting local indigenous and non-indigenous identity and cultural themes in the design elements for the Echuca-Moama Second Murray River Crossing. The ideas that you and your team are putting forward have the potential to assist in achieving this outcome to an outstanding degree.

I have asked VicRoads to work with your team to examine ideas that can be incorporated in the concept plans for the Bridge Crossing where practical, and in the event that your Bridge Arts Project is able to proceed to fruition.

Thank you for taking the time to advise me of the details of your vision for the Bridge Arts project. Should you require any further information, Mr Mal Kersting, VicRoads' Regional Director – Northern Victoria (Tel: 5434 5000), would be pleased to assist.

Yours sincerely

  
**Hon Terry Mulder MP**
